The sun oasis was initiated by Heinz Grill. The idea of enriching the present and future with new and valuable cultural impulses and helping to shape them in a meaningful way is alive here. It offers space for movement and creativity and contributes to many varied forms of development.

The Sun Oasis is located in the middle of nature in the beautiful mountain village of Lundo, not far from Lake Garda. It offers several seminar rooms and varied accommodation. In particular, it is the aspect of art that is expressed in many ways at the Sun Oasis.

In addition to the events held at the Free Spiritual University, there are rooms at the Sun Oasis available for your holiday or for use if organising a seminars.
